**Round 1 of the MSA Northern Ireland Stage Rally Championship
A Round of the North Armagh Motor Club Championship
Round 1 of the Junior 1000 Rally Challenge Ireland
Organised and promoted by North Armagh Motor Club Ltd**

Dear Competitor,

Welcome to the first round of the 2012 MSA Northern Ireland Stage Rally Championship incorporating the first round of the Junior 1000 Rally Challenge Ireland. Please find to follow the Supplementary Regulations for the **MAGIC BULLET STAGES RALLY**, sponsored this year by **MAGIC BULLET FUEL TREATMENT**

Please return your fully completed entry form (including appropriate fees and seeding information) to us promptly as entries will be awarded on a first come, first served basis. This event will again be held within the confines of Kirkistown Racing Circuit as the vast majority of you tell us that you enjoy this format. Vehicle scrutiny and documentation will take place at Kirkistown on the day before the event between 3.00pm and 9.00pm. There is opportunity for the scrutiny of a **limited** number of cars on the morning of the event but these will be allocated on a first come, first served basis, and be subject to a fee of £25.00, payable with the entry fee, to cover the additional administration and scrutineering costs.

Final Instructions No 1, including seeded entry list and scrutiny schedule, will be posted on the Club's website; www.namcc.com and on the Championship website; www.nirally.com and sent to any email addresses specified by Monday 13th February 2012. **Final Instructions No 1 will only be posted out to competitors if a stamped self-addressed envelope is attached to the submitted entry form.**

It should be noted that for all competing drivers and co-drivers on the event registration is FREE for the **MSA Northern Ireland Stage Rally Championship**. Only those competitors who are members of North Armagh Motor Club Ltd will be eligible to score points towards the Club Championship.

We are deeply grateful to **Mr Stanley Watson of Global Fuel Treatments**, the sponsors of the rally. This event would just not be possible without his financial commitment and assistance.

If you are not competing, please come along to help us marshal – an invaluable job, as without the marshals we wouldn't have an event! On behalf of North Armagh Motor Club, **Magic Bullet Fuel Treatments** and the organising team I look forward to seeing you there.

Martin Heaney – Clerk of the Course

Supplementary Regulations

1. North Armagh Motor Club Ltd. Will organise a National 'B' status Multi-Use Special Stage Rally on Saturday 18th February 2012 at Kirkistown Racing Circuit, County Down.
 2. The meeting will be governed by the General Regulations of the Motor Sports Association Ltd. (incorporating the provisions of the International Sporting Code of the FIA), these Supplementary Regulations and any written instructions that the organising Club may issue for the event.
 3. MSA Event Permit Numbers; 68351. Issued 28 Dec 2011 (MSA Northern Ireland Stage Rally Championship) and 68654. Issued 11 Jan 2012 (Junior 1000 Rally Challenge Ireland).
 4. The event is open to fully elected members of a member Club of the Association of Northern Ireland Car Clubs and in respect of the Junior 1000 Rally Challenge Ireland must be a member of the Formula 1000 Club who hold a valid Competition Licence.
 5. All drivers must produce a valid Stage Rally National 'B' or above Competition Licence. Co-drivers must produce a valid National 'B' or above Competition Licence. All Junior 1000 Rally Challenge Ireland drivers and co-drivers see championship regulations for licence requirements.
 6. The event is a round of the MSA Northern Ireland Stage Rally Championship, the NAMC Championship for Drivers and Navigators and the Junior 1000 Rally Challenge Ireland.
 7. The Programme of the meeting will be:
Scrutineering – Competitors will be required to attend Scrutiny on Friday 17th February 2012 (3.00pm - 9.00pm) or Saturday 18th February 2012 (6.30am - 8.00am) at Kirkistown Racing Circuit. Further information will be provided in Final Instructions Number 1. Competitors failing to attend Scrutiny on the date stated in their Final Instructions will be penalised as per SR 20.20 & SR 20.21. All vehicles presented at Scrutiny **MUST** have at least one crew member present to sign on. **Any vehicle presented at Scrutiny without a crew member will not be scrutineered, and SR20.20 will apply. Depending on individual circumstances, the organisers have the right to withdraw the crew from the event.** At Scrutiny cars will be examined for compliance with tyre and vehicle safety regulations as well as for Class eligibility. **All competitors entered in Classes 1 & 2 must show homologation papers in relation to the vehicle entered at Scrutiny, and must have them available for inspection at all times during the event.** Entrants should have full knowledge of the car and its eligibility for the Class entered. All vehicles must comply with MSA Technical Regulations J and R46-R48. A noise test will be carried out prior to vehicle scrutiny as per J 5.18. **Competitors requiring to carry video cameras must have prior written permission from the Clerk of the Course and present the written authorisation to the Chief Scrutineer at scrutiny.**
On arrival at the Finish Control selected vehicles will be placed in Parc Ferme until Final Results have been published. **ALL VEHICLES MUST REMAIN IN THE SERVICE AREA UNTIL THE RESULTS HAVE BEEN FINALISED.**
 8. The Rally will be run using Target Time and cars will start at thirty second intervals. Instructions on how to use the beam timing system will be provided in Final Instructions Number 2. The first car will start at 9.01am on Saturday 18th February 2012. Any competitor not signed on by 8.00am **WILL** be excluded and his/her place taken by a competitor from the Reserve Entry List, should one exist, or failing this he may be requested to take up a place at the end of the starting list. The event will contain 6 Special Stages (4 Special Stages (Stages 2-5) for the Junior 1000 Rally Challenge Ireland competitors). These stages will be timed to an accuracy of less than one minute. These Stages will take place on 95% tarmac surfaces. The entire route will be contained on Sheet 21 - 1:50,000 OSNI. The route, including Special Stages, will be defined in a map provided and will be contained within the grounds of Kirkistown Racing Circuit. The possession or use of pace notes is forbidden as per R25.9. **All competitors MUST be within the circuit by 8.00am on the morning of the event. All gates WILL close at 8.00am to facilitate stage set up.**
 9. The Event will consist of 14 Classes as follows:

 26. Failure to attend drivers briefing (If one is held) (Both crew members) = **5 MINS**
 27. Misconduct by any member of a service crew or competing crew = **EXCLUSION**

The following regulations have been amended as follows:

R15.1– To be classified as a finisher, a competitor must report in order to all Controls listed in the Map Book/Time Card, and report to Final Control within Maximum Cumulative Lateness with the car in which they started the event.

15.2.2 – In the event of a Tie, the competitor who has the greatest number of fastest stage times will be adjudged the winner. Failing this, the competitor with the fastest time on the last stage will be the winner, and then the penultimate stage, and so on until a winner can be determined.

R12.2.7 – Maximum Cumulative Lateness will be **5 minutes**.

R12.6 – Competitors will be required to reduce lateness by foregoing or reducing the appropriate amount of time in service.

21. Any competitor who practices, reconnoitres or otherwise examines a Special Stage or uses any other person(s) to do so on their behalf will be excluded from the event and will be reported to the MSA. **THIS WILL BE STRICTLY ENFORCED**. Members of the organising committee who are setting up the event are excluded from this requirement - without their help, there would be no event.
22. NOTE: Section R in 2012 MSA Year Book.
23. **There will be NO REFUELLING PERMITTED** during the event for safety reasons, unless in extreme circumstances and only with the prior approval of the Clerk of the Course. As the total event is less than 30 miles, there is no reason why 1 tank of fuel will not suffice. **YOU MUST ARRIVE WITH THE FUEL ALREADY IN THE CAR**, otherwise SR 20.23 will apply.
24. **INTERPRETATION OF REGULATIONS:** It is not the duty of any Marshal to interpret regulations or any other written instructions to a Competitor or to explain the meaning and/or effect thereof. It is the responsibility of the Competitor to read and understand the regulations and any other written instructions.
25. **ANY COMPETITOR OR TEAM MEMBER WHO ABUSES (VERBALLY OR OTHERWISE) A MARSHAL OR OFFICIAL WILL BE EXCLUDED FROM THE EVENT AND REPORTED TO THE MSA (A 10.2).**

- If you leave the Seeding Information section of the Entry Form blank, or include results which are false, **you WILL be seeded accordingly**. Please help us to seed you correctly by filling out the Entry Form in full. Once the Entry List has been published there will be **NO** discussion regarding it.
- Entry forms not accompanied by the appropriate fee will **be returned**. Telephone entries are **NOT** accepted.
- Should the maximum entry for the event (135 including reserves) be reached, all further entries received after that time will be returned.
- **By submitting an Entry Form, you are agreeing to abide by the Event Regulations as laid out in the Supplementary Regulations and any official written instructions.**

Thank you, and we look forward to seeing you at the Event! Martin Heaney – Clerk of the Course

MAGIC BULLET FUEL TREATMENTS

Over the past 2 years we have conducted a number of dyno tests on both motorcycles and motorcars. All of these tests show positive improvement in both power and torque. All these tests were conducted by authorised test centres by qualified personnel. The results are just the tip of the iceberg remembering that Magic Bullet needs some time to work on older engines. However we have produced instant results in all types of combustion engines with only a minimum of mileage.

All the tests were conducted by running the bike or car on the rolling road and producing 'before' results. Putting the prescribed dose of Magic Bullet in the fuel tank and then riding or driving out for approximately half an hour – on average about 20-30 miles at the most. Then back on the rolling road for an 'after' test and seeing the results.

TVR Roar

Whilst exhibiting at the famous TVR Roar show held in Cheshire we offered to put Magic Bullet in any TVR to demonstrate it's capabilities. Crazy Horses Racing (Rolling Road) were running dyno tests and we used their completely independent services to test volunteer cars. Two volunteers put the treasured vehicles through very rigorous dyno testing and after a 20 mile run out subjected their cars to a second dyno run. The results were fantastic and the dyno man was also suitably impressed. The results for the TVR Tuscan & Cerbera before and after Magic Bullet can be found on www.addthemagic.com or www.magicbulletracing.com

Sumo Power / JRM Motorsport

Fuelled by the success of the TVR testing we invited Sumo Power to test Magic Bullet for Cars on any car of their choice. Rising to the occasion James Skyers who is an expert engine builder invited me down to their £1.5 million Superflow Dyno Facility to observe the testing in progress. First up was a Mitsubishi EvoX (standard) followed by staff members Renault Laguna and Mazda MX5. The Mitsubishi is brand new and the other two saloon cars were 8 and 10 years old respectively.

The results speak for themselves and the Mitsubishi produced a staggering increase in torque in a clean engine and the other two cars were credible considering they both had over 80,000 miles on the clock. We know that the product sometimes needs a bit more than a 20 mile run out in order to clean out all the remaining carbon deposit but nevertheless we still had a marked increase in power and torque – where it matters.

Full results including "wheelpower Vs RPM" tests can be found on www.addthemagic.com or www.magicbulletracing.com

Conclusion

It does what it says on the label – anecdotal evidence can be viewed on the websites. What you don't get from dyno testing is the ride/drive experience – typically our users say "better idling speed control", "feels different – much quicker", "I got better mileage".
