

Double Drivers

Double drive cars must display a sticker provided by the organisers. The sticker should be a black "D" on white background to be placed on top of the windscreen or middle of the bodywork in front of the driver for single seaters.

Driver

Only one person is allowed in a competition car at any time during the event, including in the paddock.

Competition Numbers

Number must be clearly visible on both sides of the car. Registered Hillclimb & Sprint competitors are asked to state on their entry form their registered number. Non-registered competitors will be provided with a number by the organizers. Only the race number that you are running with on the weekend of the event is to be visible on your car. All other numbers are to be covered up or removed. The onus is on double drivers to make sure that the correct number is on the car before they get to the start line

Paddock

No competitor's cars shall be allowed in the paddock before 7.00am on the morning of the event. There shall be no holding of spaces for any competitors. You must at all times obey the paddock marshal's instructions. Double drivers shall be accommodated but will have to make themselves known to the paddock marshal who will have a list of the double drives. Waste bins will be provided in the paddock. A Portaloo will be in the paddock.

Practice and timed runs

Each competitor must undertake only one practice run & no practice re-runs will be allowed.

On Saturday, no competitor will be allowed on the hill after the road is closed.

On Sunday, no competitor will be allowed on the hill after the road is closed.

Finish

The finish line is indicated by chequered flag boards. After crossing the finishing line competitors must reduce speed as quickly as possible within the distance of the 3-2-1 boards.
