2024 Definitions:

Production saloon: Bodyshell as originally manufactured. Includes any steel monocoque production road car which was manufactured with more than 500 examples and has more than 2 seats.

Modified Production Saloon: (as above) bodyshell may be modified but no section may be space-framed. Any part of the bodyshell which is modified must be replaced by the same material of equal or greater thickness, wheel arch material is free and Including Mini's with removable front section.

Roadster: (Bodyshell as above) Includes any 2-seater and 2 door steel monocoque, open or closed top. e.g. MR2 or MX5.

Alloy & composite saloon: Production saloon with more than 500 examples whose chassis is not manufactured from steel. e.g. Morgan

Spaceframe: A tubular structure which if removed would prevent the vehicle being driven.

Space-framed saloon: Bodyshell may be modified, Must retain the original roof, A, B & C pillars and sills of the original car and have the appearance of this car.

Silhouette saloon: Chassis space-frame / alloy / composite. Bodywork to have the appearance of a large production road car with the same dimension of windscreen as that car. e.g. RT2000

Sportscar: Open or closed top, with enveloping bodywork. Includes prototypes. Kit car: A vehicle that can be purchased in component form for self-assembly, capable of being road registered and that are on sale to the general public. Including the Two-Seater or 2+2 or single seated.

Single seaters: Open wheeled single seater formula type racing cars.

Rally Car: Cars as per current and previous MI Rally Regulations

Turbo / supercharger: cc x 1.7 applies to all classes

Rotary engine; multiplication factor of cc x1.5 applies to all classes. The 12a engine may run in the appropriate two valve per cylinder class and all others in the appropriate over two valve per cylinder class.

Double Drivers

Double drive cars must display a sticker provided by the organisers. The sticker should be a black "D" on white background to be placed on top of the windscreen or middle of the bodywork in front of the driver for single seaters.

Driver Only

Only one person is allowed in a competition car at any time during the event, including in the paddock.

Competition Numbers

Number must be clearly visible on both sides of the car. Registered Hillclimb & Sprint competitors are asked to state on their entry form their registered number. Non-registered competitors will be provided with a number by the organizers. Only the race number that you are running with on the weekend of the event is to be visible on your car. All other numbers are to be covered up or removed. The onus is on double drivers to make sure that the correct number is on the car before they get to the start line.

Practice and timed runs.

Each competitor must undertake only one practice run & no practice re-runs will be allowed.

On Saturday, no competitor will be allowed on the hill after the road is closed. On Sunday, no competitor will be allowed on the hill after the road is closed.

*** IMPORTANT – COMPETITORS UNDER 18**

Competitors under 18 years of age (Minor) must be entered in the event by the holder of a Minor Entrant Licence who must countersign this entry form, below. A Minor Entrant who is not the parent/legal guardian of the Minor, must be Garda Vetted. Where an adult sits in the same car as a Minor competitor, the adult must be the holder of a Minor Entrant Licence, if they are not the Minor's Parent/Legal Guardian this licence must include Garda Vetting. It is not permitted to have two minors in the same vehicle.
